ABOUT

Dripset was born in the underground labs of Los Angeles, driven by the desire to create unique flavors that push the boundaries of possibility. Their consistent experimentation with flavors has given Dripset insight into the blends that resonate with people. It is this very insight that powers the Dripset brands of DNA, FEARED, and PROPER.

TOBACCO

With a sweet, bold, rich, and smooth inhale, FEARED Tobacco is an intimate journey into the layers of sun-cured tobacco flavor.

MENTHOL TOBACCO

The layers of tobacco come alive when paired with menthol, as they dance lightly across your palate for a unique flavor experience.

CUSTARD TOBACCO

A rich blend of mild-bodied tobacco that is accentuated by the addition of a light and pleasant layer of cream.

PROPER Dripset brings you Proper, delicately crafted flavors that are meant to highlight the proper way to enjoy tobacco. No longer will you have to worry about the harsh and bitter notes that are often associated with tobacco. Dripset took the time to create flavor blends that showcase the notes of tobacco that you are meant to savor.

BY

BLUE

A full-bodied tobacco flavor is accented with a decadent layer of blueberry muffin. It's a daring blend that accentuates the natural flavor of tobacco.
